WARREN G. HARDING
SENIOR HIGH SCHOOL

WARREN, OHIO

RAYMOND CRAWFORD

WILLIAM NOVELLI

DEDICATION

Twenty years ago two teachers, fascinated by nature and its processes, decided to share their knowledge and experience with advanced students of natural science by conducting extended trips over various parts of the United States during vacation periods. A student who went on these trips was, in the future, destined to replace one of these leaders in later expeditions.

Raymond Crawford, one of the original trip leaders, leads a busy life. He is constantly collecting specimens for his zoology classes, he serves the athletic department as ticket manager and has been a class sponsor. At home on the "Crawford Ranch" he raises vegetables and evergreen trees.

William Novelli, the student who took not only the late Harold Hulme's botany classes but also his interest in field trips, is also very active in school affairs. He is the sponsor of the twelfth grade Hi-Y and has sponsored a graduating class, as well as being involved in various activities of the faculty.

To these two wonderful men, who have contributed to the growth and the reputation of our school, this yearbook is dedicated.

INTRODUCTION

From all parts of Warren, roads lead to Warren G. Harding Senior High School. By these roads students not only enter into the classroom, but also depart for various educational trips.

Outside experiences as well as classroom discussions help students to further their knowledge of particular subjects. Trips to the art museum, the flower show, an industrial plant or Shakesperian play, make the curriculum more meaningful. Extracurricular activities are as well known at Harding High as classroom groups. The student body follows the basketball and football squads to out-of-town games to boost the team. The Student Council tours other schools to compare their ways with ours. Representatives from various organizations are selected to represent the entire student body at conferences and workshops.

As each year ends, the seniors tread the exit roads to maturity, while their places are taken by sophomores, who are just discovering the roads to high school life.

Florida: Land of Sunshine

Go South, young man, go South! For the past twenty years, science teachers have sacrificed their spring vacations in order to take groups of boys on extended field trips to Florida. The boys, most of whom are students of botany and zoology, are highly interested in nature and its processes. On the way down, and while in Florida, the boys visit historical sites and places of known importance, such as Cypress Gardens, Silver Springs, and Marineland. When in Florida, the group receive the chance to do things they would not ordinarily get to do in their home state. Some of their activities are: spear fishing, hunting snakes, and collecting specimens. The boys camp out and cook their own meals. In their free time, they are permitted to swim in the ocean or take hikes or sleep. This is an experience that all boys would enjoy.

G. Fritch, Mr. William Novelli, A. Ekas, J. Bailey.

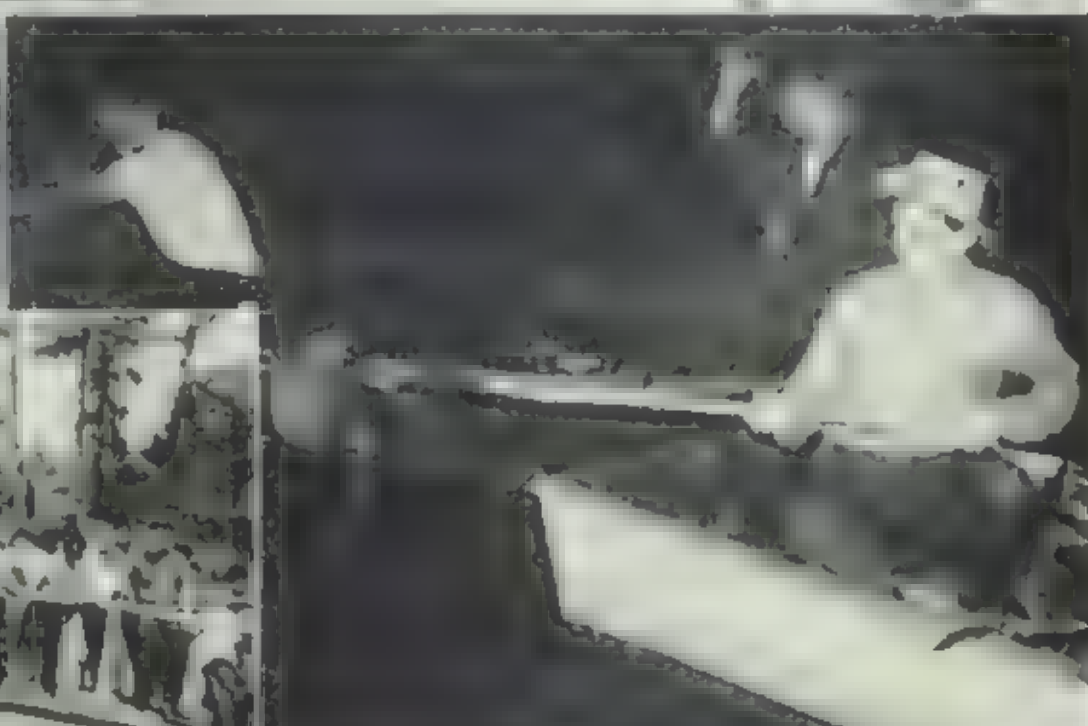

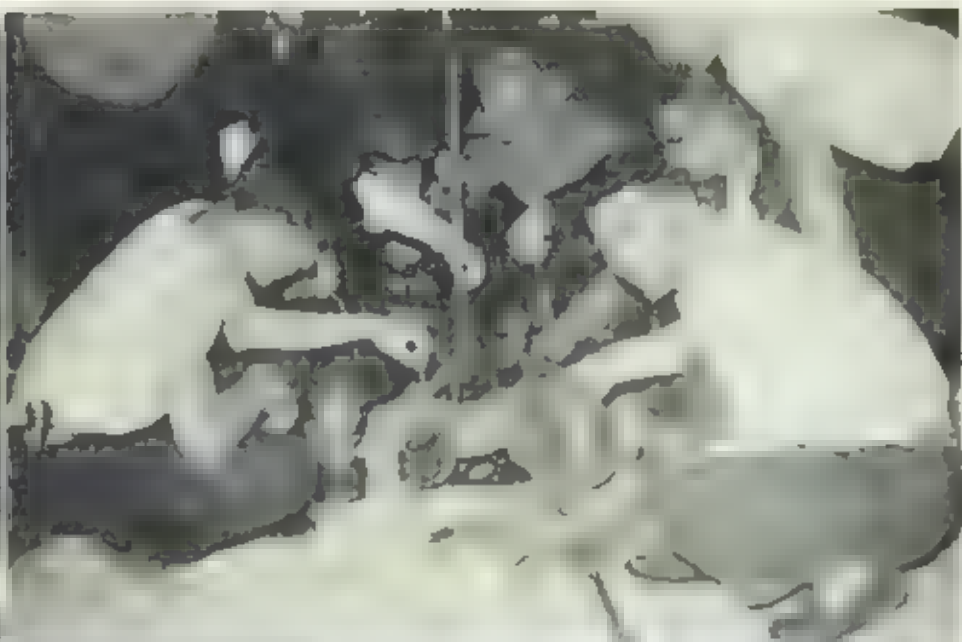

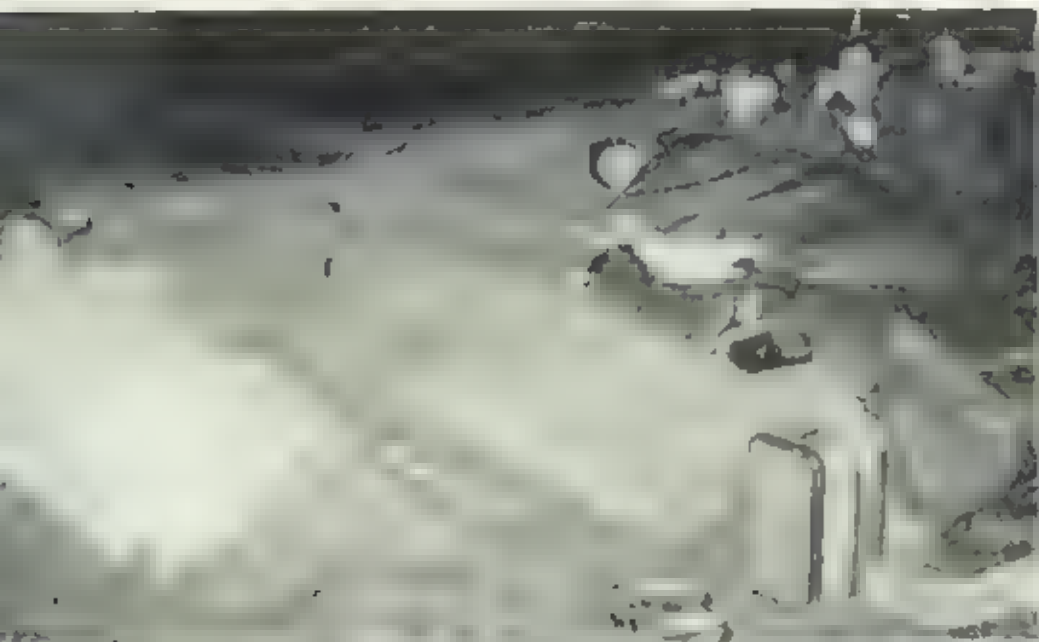

J. Szymanski, B. Daugherty, A. Stahl, K. Prentice, J. Harris, R. Thornhill, J. Lambert, Mr. Raymond Crawford.

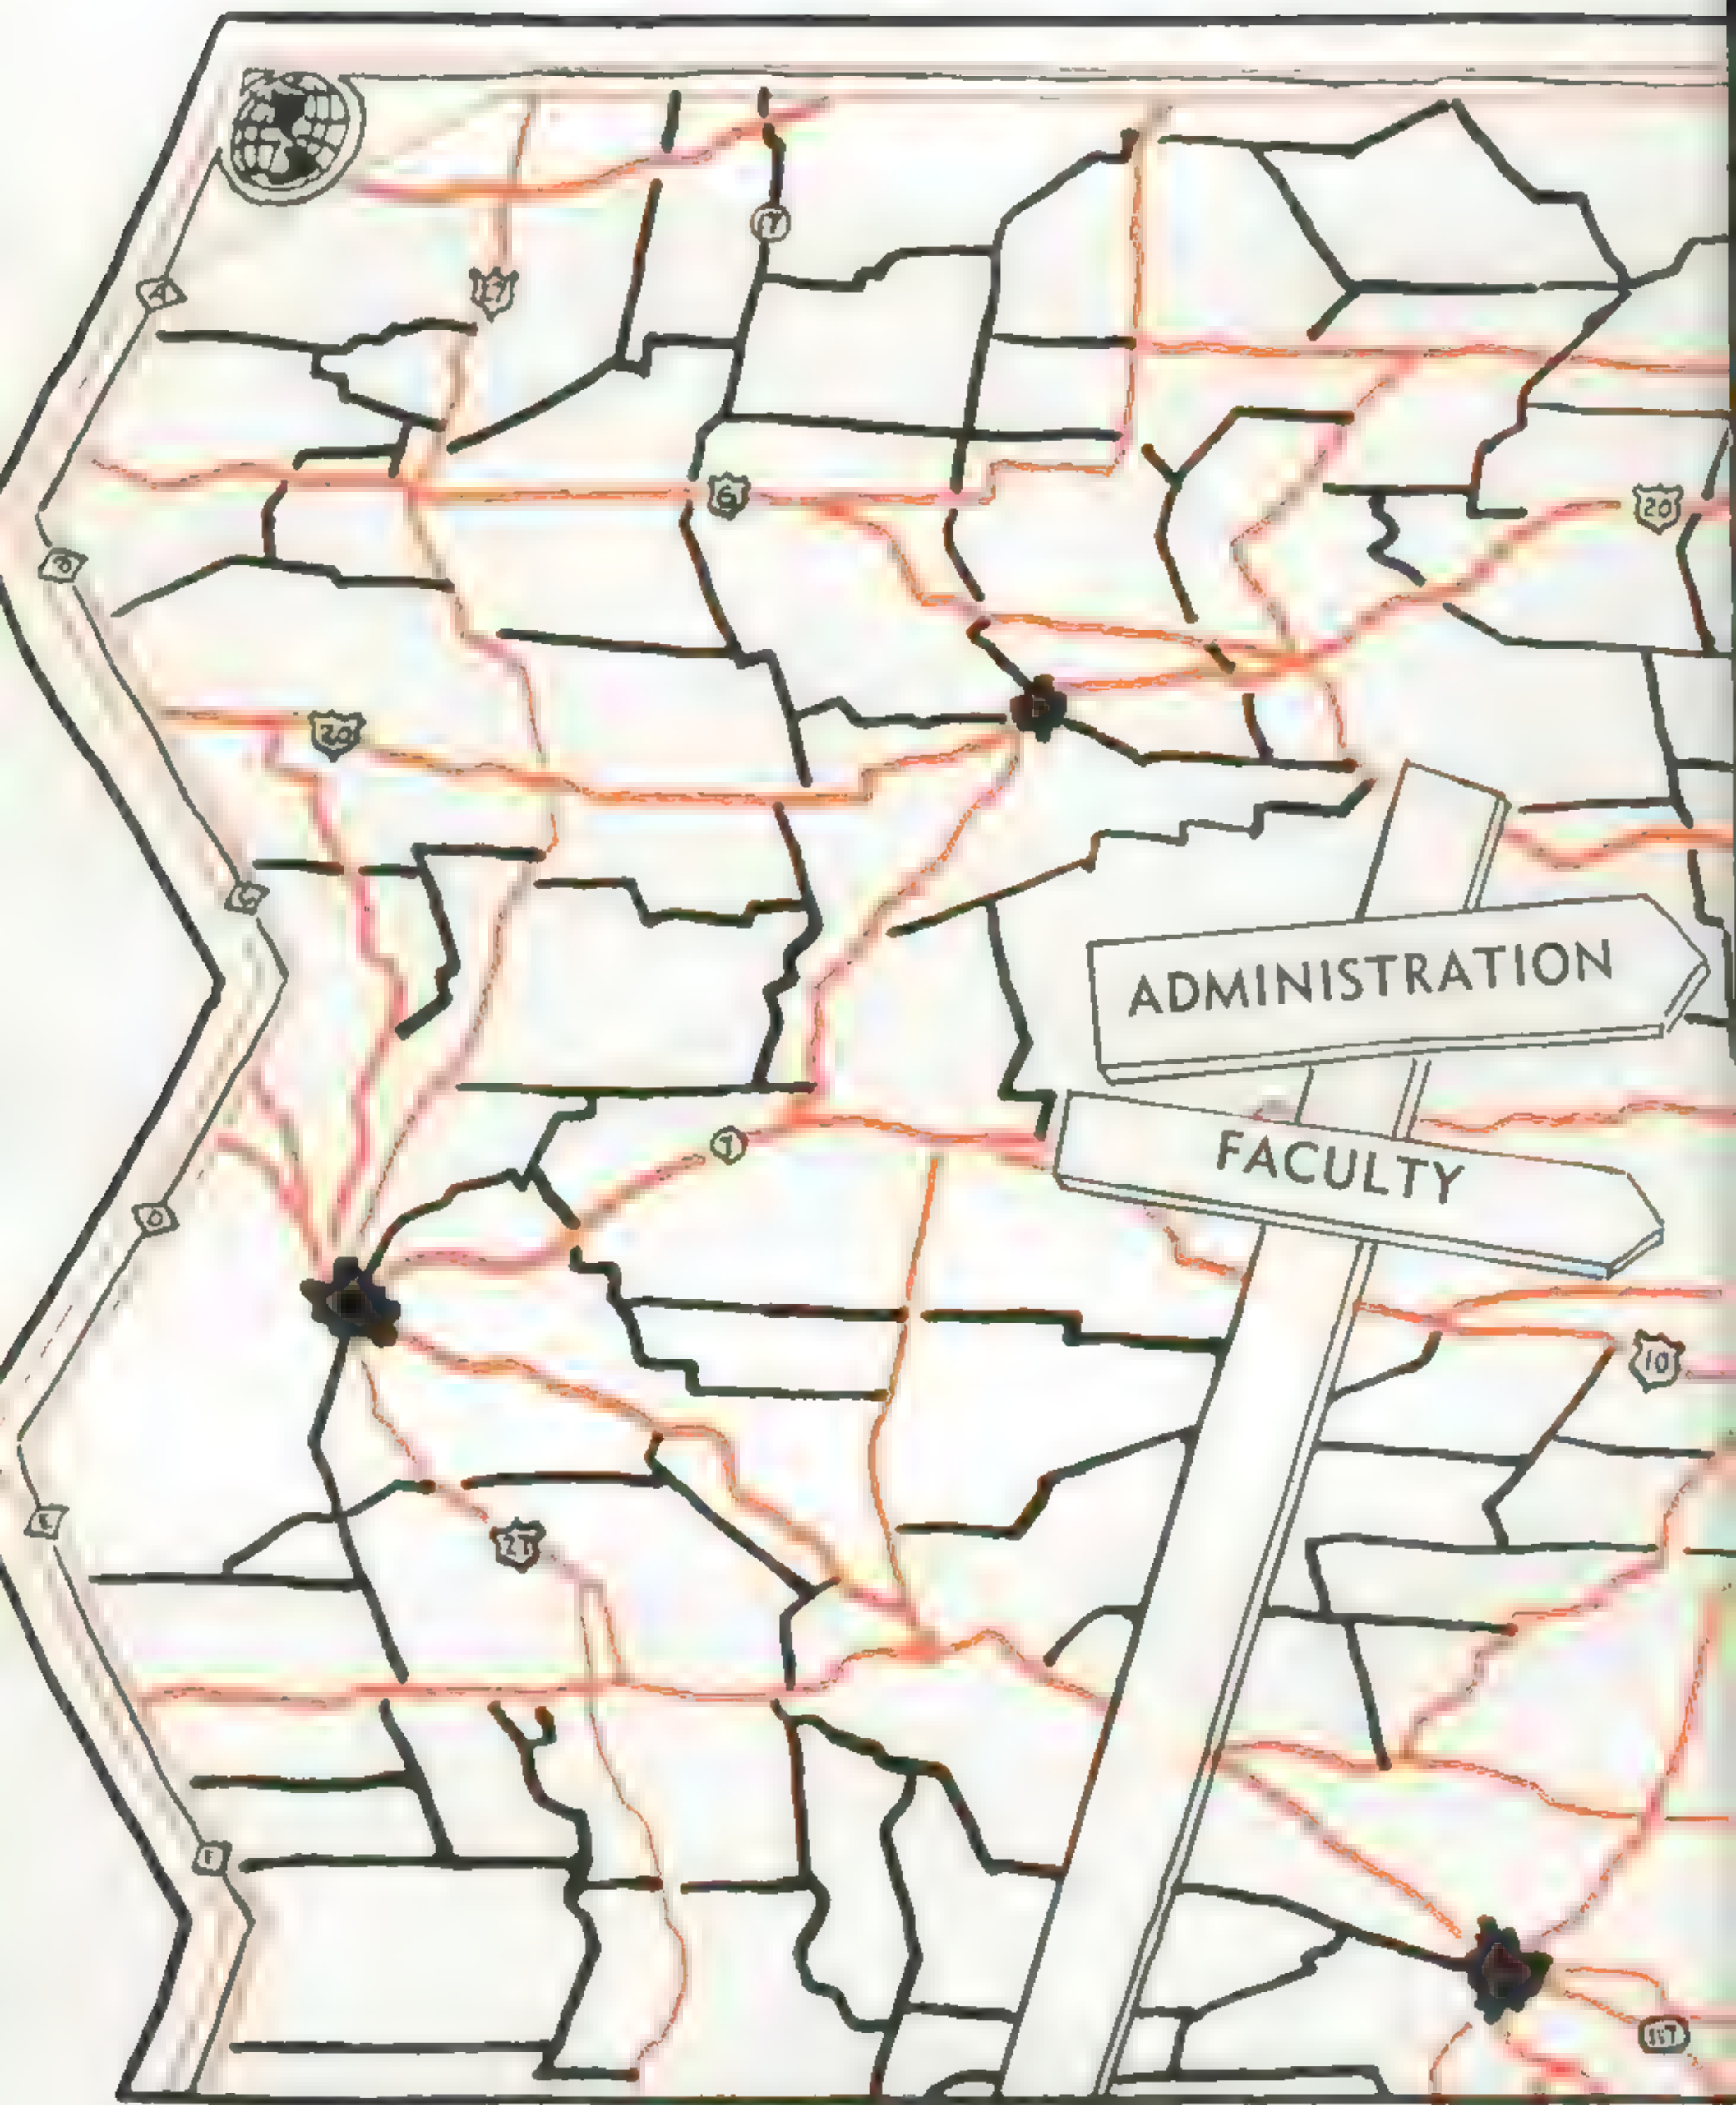

Led by Mr. Crawford, the boys beat the bush to locate snakes. Then they learned how to handle snakes properly and safely.

Another new experience was spear fishing. Under Mr. Novelli's direction, an unusual catch was produced.

A year ago in May when Sanford E. Emerson arrived at the Administration Building of the Warren City Schools after serving in Akron, he began his work as the new Superintendent of Warren Schools with the backing and support of the Board of Education, which consists of: Oliver R. Jones, president, I. S. Long, George W. Secrest, Mrs. Esther Niemi, and Henry H. Alden.

In his office, Dr. Robert Van Aiken, works on one phase of his Assistant Superintendent's job, that of planning the curriculum for the entire school system.

PRINCIPALS

JOHN
SCHARF

MILTON
MOLLENKOPF

A more energetic or more enterprising pair than our two wonderful principals would be hard to find. Wherever they may be in the school, they are always ready and able to help anyone who might be in need of assistance or counseling. These men are constantly rushing to attend various civic and school organizations and committees to which they belong. They meet with other school principals in the Mahoning Valley and throughout the state trying to find better and new ideas to improve our school. Our hats are off to those two fine men, Principal Milton Mollenkopf and John Scharf, assistant principal.

Deans

Through hours of kind and helpful counseling the deans, LOUIS SWART and MARIE O'ROURKE, have become known to the many students here at Harding. They do their best to help us, whether it is a problem about something in the classroom, or a question of which college to choose. Some of their other activities include sponsoring National Honor Society, as well as serving on the faculty scholarship committee, which helps worthy students through college. Another part of the job of these busy people comes each spring when they journey to the three junior high schools to help ninth grade students plan their program of study for the coming years at Harding.

MICHAEL MARCARELLO, economics, and CHARLES CORLITT, instrumental and music, look at some of the prizes issued in the Band magazine drive.

DR. CARL SCHEIG, A Cappella and orchestra, puts a cello to rest in its berth in the newly completed orchestra room, while DONALD FUSSELMAN, art looks on

DWIGHT LAFFERTY, history, and MRS. DOROTHY WISEMAN, sociology, examine income tax notebooks, made by students of ALBERT MAROWITZ, problems

Physical education teachers MARGARET EATON and MARGUERITE WRIGHT, inspect the new lockers in the girls' locker room

Looking over their award-winning scrapbook depicting the activities of the Warren City Classroom Teachers Association are the Harding building representatives, IVAN MASSAR, chemistry, and LUNA BAXTER, clothing, LORENE BROXELL, Latin and mathematics, who is president of the association, and MERRILL COOLEY, business English, who is the newly elected president of the Northeastern Ohio Teachers Association

Many an interesting class discussion is made possible by the first hand information gathered by teachers who visited abroad. HELEN RIDGELY, English, looks over mementos brought all the way from England. As he tries on wooden shoes and beret, WILLIAM NOVELLI, science, remembers some of his experiences in France. AUGUSTA BARRICK, speech, reminds EMILY KAUFMAN, English, of their good times as she points out a vacation spot on the map of England. MRS. CLARA WEBB prepares to show her Latin classes the postcards she collected while in Rome. Donning a serape he obtained while touring Mexico, HAROLD HETZLER of the Spanish department also has many memories of his trip to Spain.

GERTRUDE LYNN, civics, RUTH WATKINS, library, and DORIS MALMSBERRY, English, enjoy recalling experiences they had on their recent trip to Alaska, as they look at pictures taken last summer.

MRS. FUGENIA HILL, cafeteria, and GEORGE JOHNSON, physical education, examine one of the milk dispensers which have been installed in the cafeteria and gym.

Five new members joined the staff in September. THOMAS SAMUELS, auto shop; MICHAEL BUSHWACK, welding, JOYCE BIRCH, French, GLEN MOORE, general metal; and WILLIAM RIDER, social studies, review plans for their future life at Harding.

EDWARD CAMPBELL, social studies, adjusts one of the projectors for the visual education department.

When a brother and a sister get together they talk about many things. For example, JOEL YOST, book-keeping and MRS. DOROTHY DEEGAN, English and journalism, find the new lockers with their separate compartments for books and wraps an interesting subject. Facilities in the new library attract Mrs. AGNES KNOX, English, Mrs. MARJORIE NILSON, social studies and MARGARET DENNISON, English.

Irving out the typewriters in the new business education rooms are Mrs. ELSIE MATHEWS, Mrs. LOUISE TSCHUGNOV, WILLIAM SULLIVAN, all teachers of the commercial subjects. The students enrolled in their classes will enjoy all the facilities and conveniences of the new addition

Setting up the parking markers that many of the students enrolled in driver training classes have difficulty avoiding, is HARRY TAFT, teacher of this course

WILLIAM GASS, mechanical drawing, is demonstrating the newest thing in drafting equipment while DONALD BAKER, health, RUTH LAPOLLA, social science, and MILES DEARTH, science, look on with interest

Fascinated by a geometry proposition explained by VELMA HARTMAN, mathematics, are LEONA DEEMER, mathematics, KATHLEEN KELLY, English, CHARLES RIFFLE, physical education, and LEWIS KEMP, English

MRS. MARY SPRAGUE, JOHN CANDIO and MRS. WINIFRED JOHNSON congratulate each other on the rooms and equipment in the business education department's new quarters.

Just as well satisfied in the shop area are WILLIAM KELLEY, vocational machines, and EMMETT KEENER, vocational machines

Seeking a few minutes relaxation from their busy day, RUTH PART-
RIDGE, English; PHILIP KOPPEL,
science; CLAYTON CARLETON,
physics; EDITH SIMMONS, home
economics; MRS. ELEANOR SIN-
NFR, journalism; MARY DUCK,
English; DOROTHY HART, social
sciences and DONALD MACEWAN,
mathematics; eat lunch in the
dining room adjoining the foods
classroom.

A new machine in the wood shop
is shown by KENNETH KRAKER,
wood shop, to two sisters, BESS
and ESTHER TUBAUGH, both Eng-
lish; also to his son, WILLIAM
KRAKER, commercial geography.

FLORENCE NEWTON, mathemat-
ics, who is in charge of exchang-
ing tickets hands play tickets to
MRS. RUTH VAN METRE, mathe-
matics and MRS. JOSEPHINE
THOMAN, English.

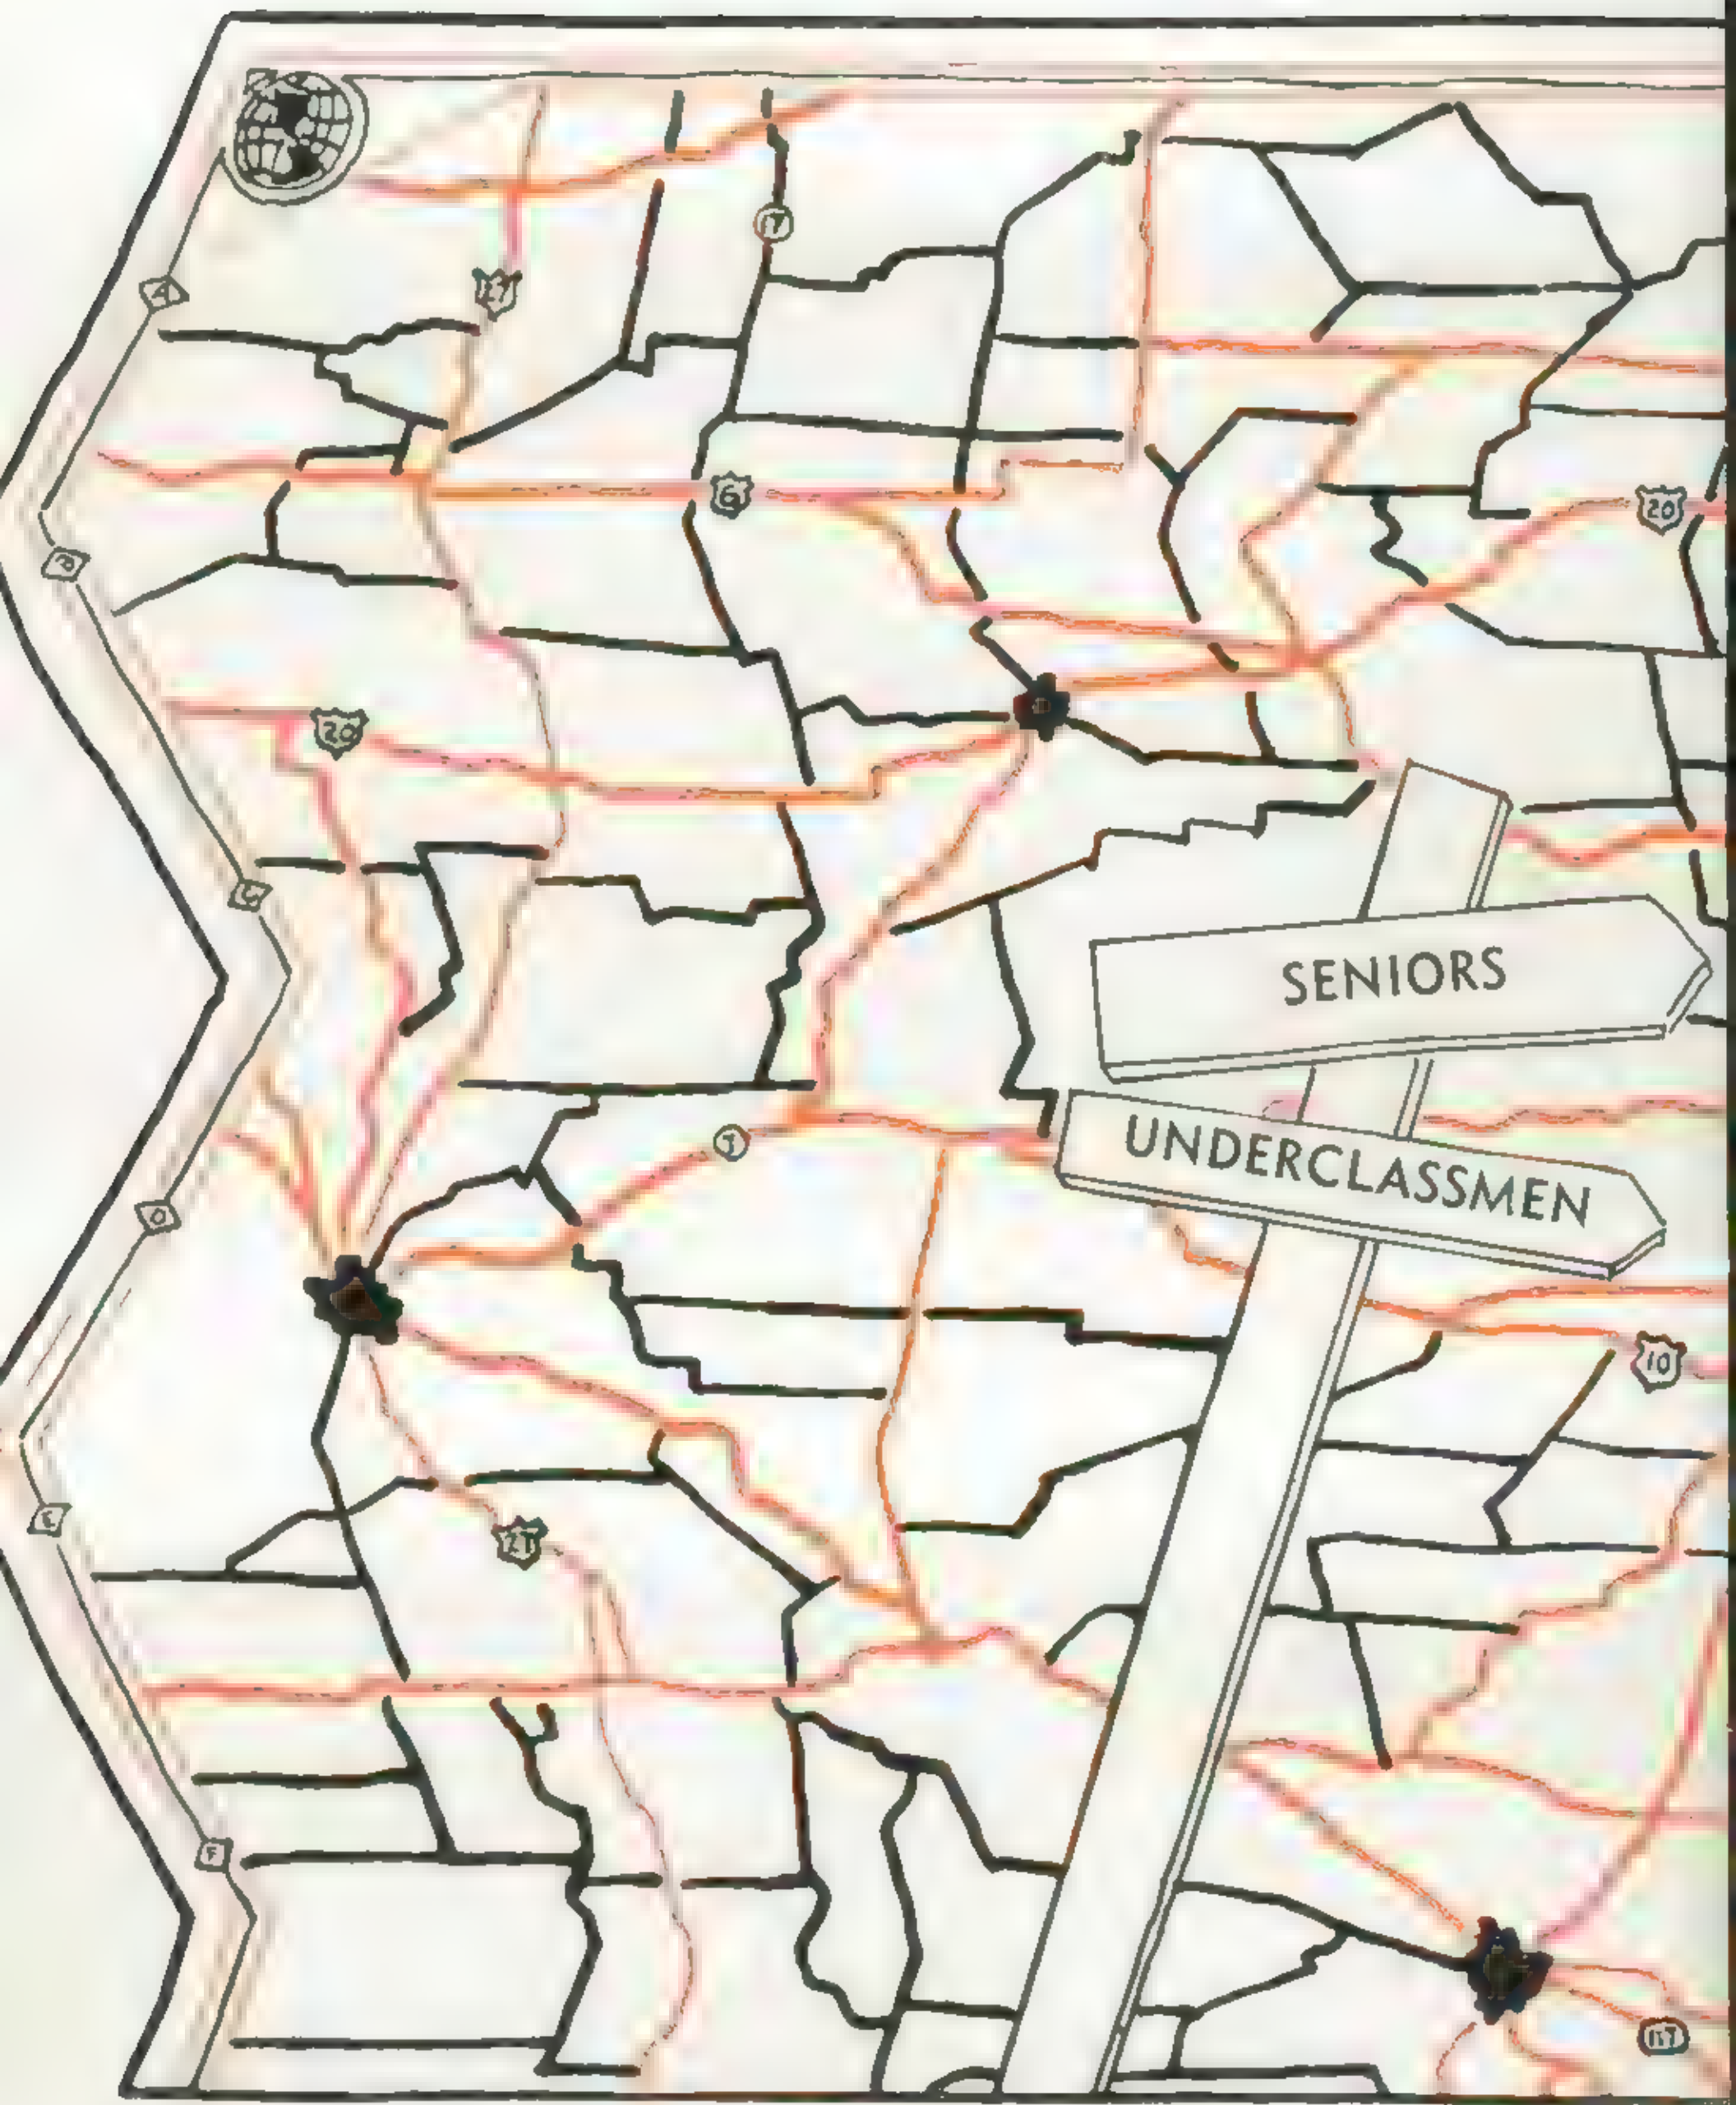

Meeting in the office of Walter Trimboth, custodian, is the maintenance staff of the school: W. TRIMBATH, I. BRANDON, L. BISHOP, B. McCANN, G. VALDE, I. GOLDTHORPE, J. MINTON, and J. MACHLING. Not present are the night crew which consists of: J. BITMAN, G. FRAZIER, and D. McHENRY.

While Mrs. CHARLOTTE RIGGS lays out the absentee cards alphabetically, GRACE CRAWFORD and Mrs. FRIEWYN SCOBIE, office workers, assist in the daily task of checking attendance.

Mrs. FLORENCE GRIFFING, school treasurer and GERALDINE KERR, assistant librarian, try out the typewriters in the new library.

August Class

"Honest effort brings success" the motto of the August 1955 graduating class was well carried out by the sincere efforts of the twenty-one graduating students, two of whom were from Howland.

Graduating exercises were held at Turner Junior High because of building construction being done at Harding.

Scott Lehman, president, was aided by Mildred Hackett, secretary; and Gerald Chippas, treasurer in the leadership of class activities. Miss Ruth LaPolla was the class sponsor.

June Honor Students

Seven honor students is impressive, but the fact that they are all boys is indeed unusual. Out of the graduating class of 405, these boys, with plenty of hard work, have accomplished the highest scholastic average for the past four years. Since the announcement of their winning was released, they have had, as pictured, nothing but broad, happy smiles!

June Play

"The bigger the cast the better the play," is the motto of the players in the senior production, "Stage Door." The June senior class was glad when this comedy was selected because it gave thirty-two of their fellow students a chance to show their dramatic ability.

Congestion prevailed in the halls at the opening of the school year as over 1800 students moved from class to class; however, crowded conditions have been somewhat lessened by the opening of the new additions

All aboard for some place of interest as students take time out of regular classes to get some practical application of what they've been studying

All tenth grade students are required to take the health course. In this class students learn all the basic things concerning health. Among these is a brief course in first aid where the student learns to put on bandages and how to give artificial respiration. First aid is very helpful for the future as well as very interesting.

Mathematics plays an important role in everyday life. Mothers use it in their many jobs around the home, fathers, in most jobs, must do some figuring during the course of the business day. Of course, the children are students in math classes at school.

In higher mathematics, physics employs mathematical formulas in an experiment with electricity. During Warren Education Week a display of plane and solid geometry figures was set up in a downtown store window to show citizens of Warren, exactly what math courses are being taught in their schools.

In the shops the students must do much computing before they can make models of machines and tools that they use.

Not being able to travel to Italy actually to see the remains of Roman civilization, Latin students make models to represent the famous ruins. Acting out "She Stoops to Conquer" and other plays they are reading, literature students obtain a deeper feeling of the people and places they are studying. Costumes and stage business help to make them come alive.

Projects that represent the things they are studying, help members of correlated history and English classes to learn more about them and appreciate them better.

Speaking into the microphone of a tape recorder at the beginning of the year, hearing the tape played back, to note the faults, and comparing it at the end of the year gives speech students evidence of improvement.

In social studies classes, students prepare to assume the responsibilities of adult citizenship. In November when the community votes, the students also use the voting machines. At the beginning of the year while some rooms were still under construction, civics students attended classes in the Naval Reserve building. Local, national, and international affairs are the concern of the problems classes. Among the topics fully studied is atomic energy. Oliver P. Bolton, Ohio's Representative to Congress, visited the school and met in the old library with all the students who were interested in the workings of the legislative body in Washington.

Journalism

The September staff of the High Life grouped upper left seated are Jeannine Gehrlein, 4; Betty Puncsak, 2; Joycelyn Hardin, 4; and Shirley Dickinson, 4. Standing Carol Rogers, 4; Nancy Spain, 4; Roxie Berry, 1; Nora Delvaux, 3; and Rod Kellogg, 1.

At the beginning of the second semester they were joined by oncoming members of Journalism 1 and 2. The new reporters lower right are, Jane Polley, Carl Schwartz, David Blakely, Dick Jackson, and Joanne Ruggieri.

"Beats" often carried reporters out of school on stories for the bi-weekly issues. Betty Puncsak had an assignment that took her to a turkey farm while Roxie Berry journeyed to Hiram House Day Camp to gather the news.

1—Editor; 2—Business Manager; 3—Exchange Editor; 4—Reporter; 5—Assistant Editor

provides

One of the most thrilling and suspenseful times of the year is when the Mary Christmas and Hap Holiday winners are finally announced. The secret is closely guarded by members of the staff until the Christmas edition is given out. This year's lucky winners were Judy Griscott and James Vair.

Sue Weaver and James Vair add an important link to the chain of work of the Journalism department. For those whose talents lie in drawing, the publications have a wide field in High Life, Echoes, and Cauldron.

Another function of the Journalism department is to write the column, "Highlights," which appears in the Friday evening "Warren Tribune Chronicle." This beat is covered by the beginning journalism classes.

REAR, standing—D. Butchko, 4; P. Day, 4; J. Danko, 4; A. Pearce, 4; N. Ticknor, 4; E. Blakely, 4; J. Toth, 4; T. Anger, 4.
SEATED—A. Duda, 4; M. Hirschings, 5; E. Harner, 1; R. Luscombe, 4; N. Gipp, 4.

varying types of experience

Choosing the pattern and material, cutting, assembling the pieces and fitting the garment all go into making a dress in the clothing classes

Food classes study nutrition meal planning and preparation. Students enjoy the actual preparation because they are able to sample their own cooking.

He gets in changing gears in driving class, students not only learn driving and parking, but they also learn the mechanics of the car and how to change a tire.

Teaching two classes at once. Yes, one very distinct advantage in the new business education department is a glass window between class rooms which makes it possible for a teacher to instruct one class and observe the work of another at the same time.

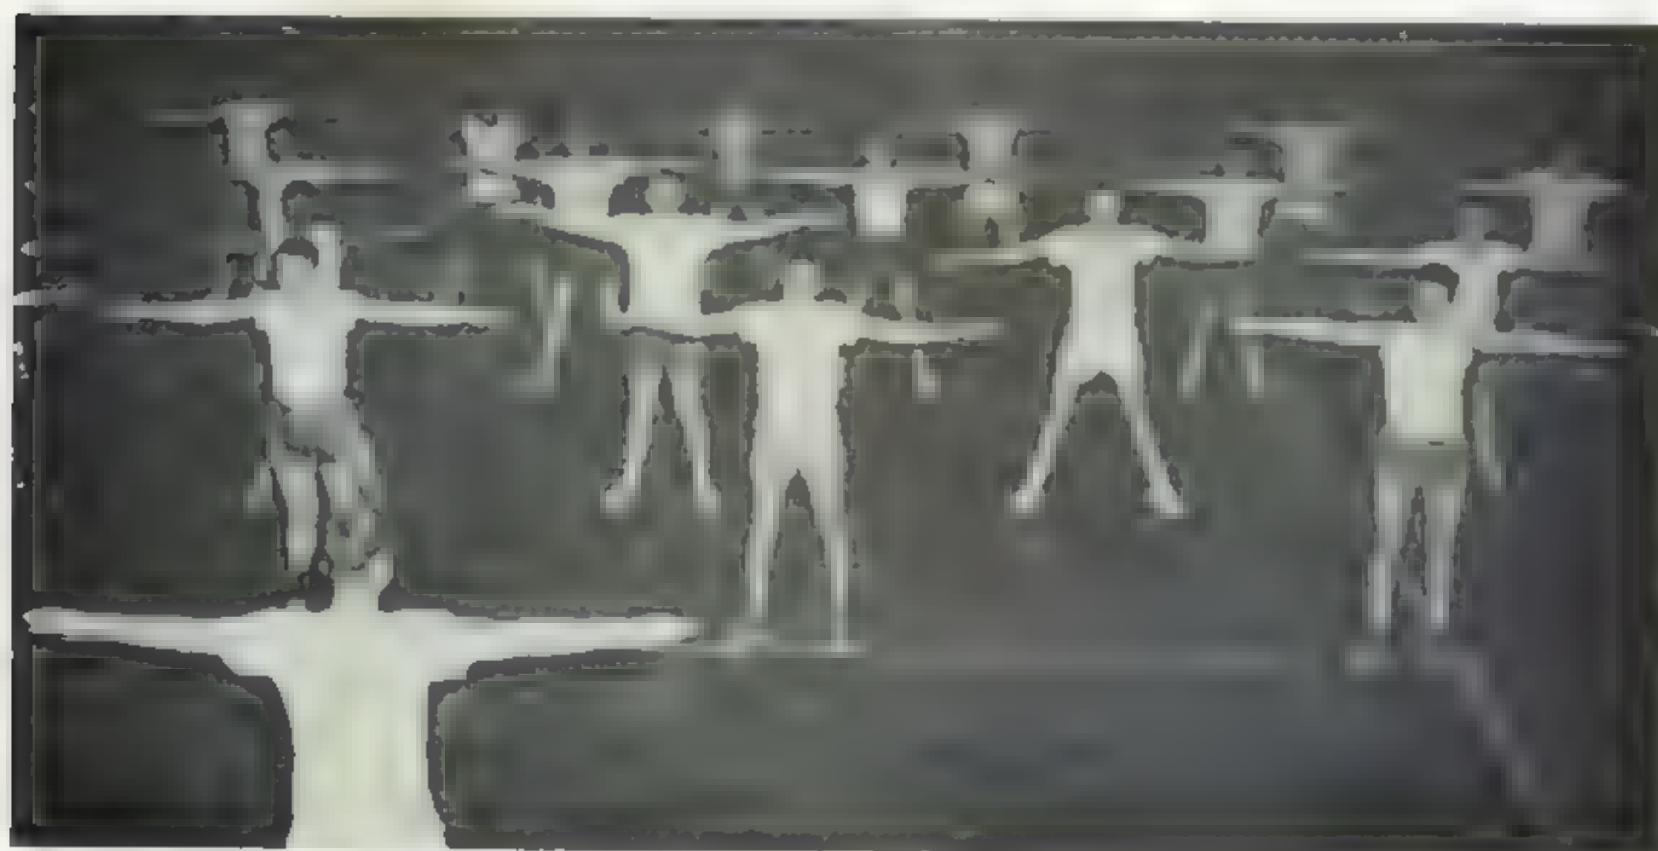

An expanded curriculum of vocational education has been made possible by the building expansion program. The shop wing provides more space, added shops, and much new equipment. Students in drafting, woodwork, general metal, electricity, and vocational machines find opportunity to advance in their chosen vocations; but the most unusual sights occur in the welding and auto mechanics classes, which are new this year

Girls as well as boys are interested in taking drafting.

Moving in shop equipment certainly isn't easy!

Calisthenics are still an important part of training in physical education classes. In addition to body building, mass drill is a pleasant sight for the visitor and a satisfying group activity for the participants.

Take a Letter

Karen Moore received the \$25 award for best all around secretary at the Future Business Leaders of America banquet. Rose Preston was judged best in shorthand for a \$10 prize, and Mona Lou Johnson received the \$10 best typing award. Mrs. Wubert Walker, president of the Business and Professional Women's Club of Warren, presented the awards.

The tour through the Federal Reserve Bank in Cleveland highlighted the F. B. L. A. programs this year.

Mardi Gras

CARL PALMER

ROXIE BERRY

Mardi Gras festivities were highlighted when the 1956 Rex and Regina were crowned. Participants: Donna Berry, crown bearer; Robert Hollis, president of Spanish Club; Roxie Berry; Carl Palmer; Vincent Regazzo, president of French Club; and Brian Bels, crown bearer.

Orchestra

Studying music has added pleasure for the orchestra and A Cappella Choir now that they have moved into their new quarters in the A wing. For the orchestra this means a safe place for keeping their instruments while the choir enjoys the advantage of a large well ventilated room which makes singing for them pleasant. A music library, special storage for robes, and soundproof rooms where students can practice an instrument or sing, without disturbing others, are now also a great advantage.

A football season of extremes faced the Harding Panthers through their 1955 schedule. The opening game was one of humid, almost hot weather while the remaining contests were sloppy and cold. The mud slowed badly an inexperienced team built around speed. Injuries of extreme serious nature also accompanied the weather situation as backs and linemen were sidelined with major as well as minor ailments. These were the contributing factors to the fair season the Harding gridgers had in their 1955 football contests.

The Panthers opened their 1955 season with a 7-6 win over the Cleveland Collinwood Railroaders. A short Panther kick-off was recovered by Harding on the Collinwood 42-yard line. After an exchange of fumbles, a

30-yard pass from John Theoharis to Eric Dowell and an extra point by Ralph Leard were good for the margin of victory.

In the second game of the year Harding faced a polished and powerful team from Canton McKinley. The first quarter went scoreless as did most of the second, but a very strong Bulldog team over-powered the Warren defenses late in the half around Warren's left end. Canton scored twice more in the first half and four times in the second half. Harding's drives late in the third quarter bogged down, and Warren was never able to catch the rugged McKinley defense off guard as they went down to defeat 46-0.

The fine fighting spirit of Harding High was far from hurt as Warren bounced back to stop a veteran eleven from Cleveland Heights 21-13. Hard practice after the previous week's beating at the hands of Canton McKinley paid off as fine heads-up pass defense and good defensive line play enabled Harding to take advantage of the breaks of the game.

In the first away game of the season Warren traveled to Mansfield for one of the roughest games of the season. A long Tyger touchdown run early in the first quarter of play and the conversion gave reason to believe that the heavily favored Mansfield team was on its way to an easy victory over Warren. But a stout Panther defense was not such a pushover as it held Mansfield the remainder of the first half. Warren's offense moved the ball well on the ground after a blocked punt despite the very soggy field. In the second half an inspired Panther team was hungry for a victory because of the drubbing Warren took from Mansfield the year before. The Panthers took a Mansfield kick-off and moved all the way for their first tally but the point after touchdown was blocked. Harding blocked another Tyger punt, and Bob Szuch ran the ball over for the touchdown, but the extra point was missed again. A long run off right tackle was good for Mansfield's victory as Warren was handed their second defeat in four starts.

Tough nightly scrimmage again was a prelude to Harding's homecoming game with Lorain Steelmen. Harding's play was not up to expectations as confidence seemed to be

R Lawrence reverses his field

Harding blockers form a wedge for ball carrier

G. Beck chases a pass

D. Szuch gains more yardage

J. Theoharis fades to pass

lacking in the first half and a high-ranking Lorain team was able to pile up nineteen points. In the second half a fine and inspiring pep talk by Coach Riffle seemed to snap the Warren team out of their stupor. Harding marched all the way early in the third quarter. The defensive play was much improved as well, but the second half spurt was not enough. Lorain, 19, Warren, 6.

Lacking practice, downfield blocking, and all-around toughening up were on tap because

of the poor work in the Lorain game. An experienced and well-rounded Akron Fast team came to Warren for a bruising contest filled with injuries. Warren kicked off. In the pileup after the first tackle of the game Larry Spano's leg was broken. Rock-em, sock-em tackling caused a series of fumbles by both teams. Harding was first to score, but Fast bounded back with two scores to lead at half time, 14-6. In the third quarter a determined Harding team held Akron from scoring while scoring themselves on a long drive. Plaguing injuries took their toll as halfback "Red" Jenkins' ankle was broken following interception of a pass. Others suffered less severe injuries. Late in the fourth quarter inexperienced reserves were unable to bottle up the high scoring Akron Fast backs, the final score being 28-12.

Two wins, four losses, and the game with Massillon state champions, loomed. Poor showing by Massillon in some of its previous games gave Warren the extra desire and determination needed in meeting this rugged foe. Coach Riffle had prepared the team well, and his pep talks had stimulated his players to supreme efficiency. This was evident in the first half, which ended 7 all. Warren scored first on a series of downs following an intercepted pass by "Rick" Lawrence; Nate Reed carried the ball on an end sweep. The extra point was added on a pass from Theo

harris to Beck. Very late in the third period a 60-yard punt return by Massillon broke Warren's back and they were never able to catch up going down to defeat, 39-7

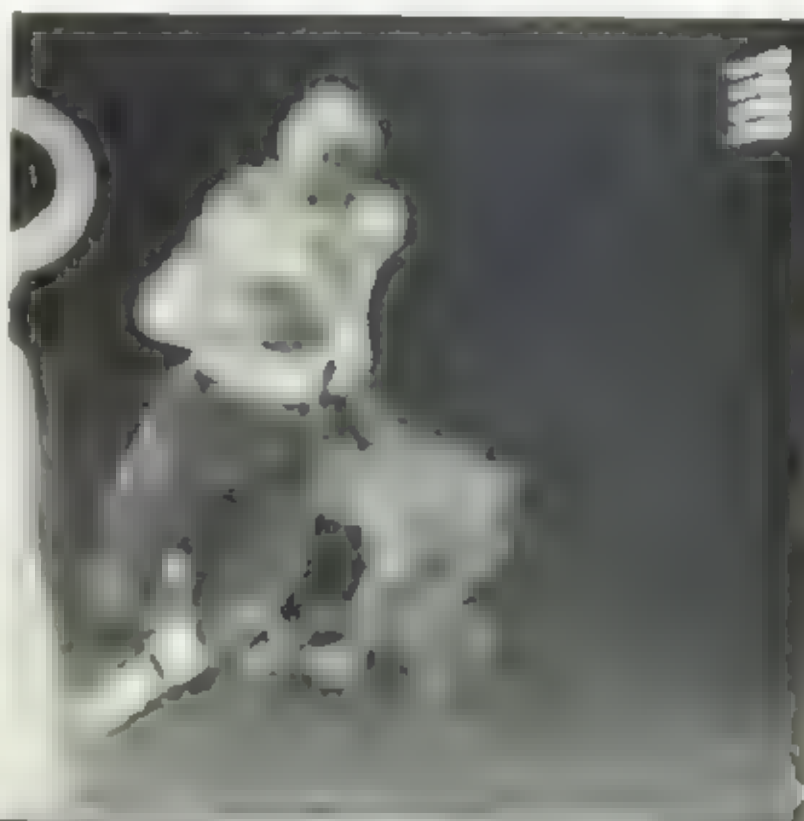

Harding returned home to play a highly rated, strong Cleveland Benedictine team. The first half ended 6-6 after a rugged and hard-fought battle. Injuries ran high in the Massillon game and Warren was lacking the needed power for sustained drives. Cleveland scored late in the fourth quarter after two Warren drives fizzled out. Harding came bounding back and drove deep into Benedictine territory, but time ran out as the game ended on the Cleveland 12-yard line

Coach Riffle's Panthers broke the losing jinx by crushing a fine Steubenville squad, 26-7. Injuries were slight after the Benedictine game and Harding was now up to maximum efficiency. Behind the great running of Eric Dowell, Grover Dantage, Nate Reed, Rick Lawrence, Nick Spithoganis, Harding was enabled to outdo the "Big Red" and put the Panthers back on the winning track.

The last game of the season saw Warren play a top-rated team in the state, Youngs-

town Ursuline. Ursuline controlled the ball most of the first quarter, but once Harding had their hands on the ball the reversal was true. Warren scored twice in the first half, and once more in the third quarter as Coach Riffle then flooded the game with reserves.

The statistics of the game won and lost might show that Harding had a mediocre season in 1955. However, let us not forget that eight of the ten teams Warren faced were somewhere in the top twenty teams in the state as picked by the sports writers' poll throughout the season. Let's also take into

E. Dowell breaks into the clear

The ball is elusive as Dowell dives for pass

A Panther gets caged as defenders converge

Consistently coming up with exceptional teams are the football coaches: George Johnson, line coach; Charles Riffle, head coach; Michael Marcarello, sophomore coach; Phil Koppel, backfield coach.

The band, under the direction of Mr. Corlett, participates in half time ceremonies at each home football game. This year they find the task of practicing much easier, as the trek from the new bandroom to the field is shorter than before.

consideration how well the games were played and the outstanding sportsmanship displayed by the players. Nor should the backing the student body gave the team be overlooked. They supported the team to the fullest extent through thick and thin, displaying courageous sportsmanship when it would have been much easier to give up and say, "What's the use?" The players were not quitters in the slightest sense of the word, either. Night after night, week after week, the grueling practice and the rugged games would have caused dissension and disintegration to a lesser team than Harding's. In all, Warren should be extremely proud of its team, its coach, "Chuck" Raffle, and his assistants, George Johnson, Phil Koppel, Tony Marcarello, and John Candio.

Everything from checking on clean uniforms to making sure there is a football ready for play keeps the managers busy. Rear: J. Lowry, J. Leonomos. Front: R. Hurst, C. Johnson, R. Roehl

Football Banquet

A capacity crowd filled the school cafeteria to be a part of the annual football banquet. After a turkey dinner, Coach Riffle handed out the awards to the players and recognition was given to the cheerleaders and managers. Sanford Jameson, superintendent of schools, acting as toastmaster, introduced Dick Kroesen, director of the Cleveland Arena, who gave a superb talk to the gathering.

D Matey, R Alton, J Knofsky, A Macauley, T Barto, T Bufano, D Matey

Golf

Riding high with eleven victories, one tie and three defeats, Coach Dwight Lafferty's links-men chalked up another fine season to Harding's credit in 1955.

The golfers went eight games without a defeat, before dropping a match to Youngstown East. Finishing up with such a fine season can be credited to the golfing of Tom Barto, team leader, Bob Alton, and Angus Macauley, the other regulars.

Tom Bufano and Judson Knofsky, along with sophomores Don and Dick Matey, rounded off a team that racked up the best record Harding has had since 1949, when the team won state runner-up position.

Although the team lost Barto, Knofsky, Macauley, and Alton through graduation, Bufano and the two Mateys coupled with new team members should give the Panther links-men a good team again in '56.

(Harding broke the record by five strikes, but made only 3d place.)

Basketball

Playing again in the finest competition in the state, Harding's hoopers came up with one of the finest records in the school's history. Competing with top notch teams like Sharon, East Liverpool, Salem, Canton McKinley, Canton Timken, the Panthers came up with a 10-7 record for the 1955-56 season.

With only two varsity players back from the 54-55 season, Coach Lewis Kemp molded the quintet into a winning, aggressive team. Jim Crites and Mike Scala, the only returning players from last year, were quickly coupled with John Theoharis, Fred Price, Jack 'Tiny' Gibson, and Tom Weaver to form one of the best shooting teams in the state.

The opening game against the Youngstown Chaney Cowboys saw the cagers get off to a slow start as the Cowboys dumped in 35 out of 49

foul shots to drop the home team 73-93 in their initial start. Altho the Chaneyites were out-scored in field goals, their foul attempts spelled the difference

Next the Harding quintet traveled to Edinburg Southeast where they downed the smaller school 65-38, doing nearly all their scoring in a big third quarter. Following the Southeast quintet the Kempmen entertained East Liverpool, one of the top ranking teams in the state at that time. East Liverpool lives up to expectations by downing the Panthers 84-49, in one of the two really lopsided games of the year.

Struthers, a high ranking steel valley team, played host to the Hard ingnites next and downed them 86-62. Going into the Massillon game with a 1-4 record the Panthers started a three-game winning streak including wins over Massillon, Girard and Canton Lehman

The Kempmen downed then winless Massillon 73-55, in a completely one-sided game that saw the Panthers begin the up-hill drive to the winning columns. Playing the role of ungracious guests, the hoopers downed Girard by one point, 73-72, in Girard's own gym. Highly rated Girard was the first of five up-sets managed by the Kempmen during the 17-game span

Canton Lehman, second of the five up-sets, was the next victim as the Warren quintet poured in 89 points to Lehman's 62 in a game that surprised nearly everyone. The age old "McKinley-bug" hit Harding next as Canton McKinley downed the "just too small" Panthers 68-34. McKinley, who later lost to Middletown in the final game of the state tourney, proved to have too much in too many places for the visitors

Following the Bulldogs the Warren ites once more hit their stride and swept over Salem, Leavittsburg, Canton Central Catholic and Howland, ending the four-game span with an eight and five record

The next game, at Salem opened the eyes of basketball fans in a hurry

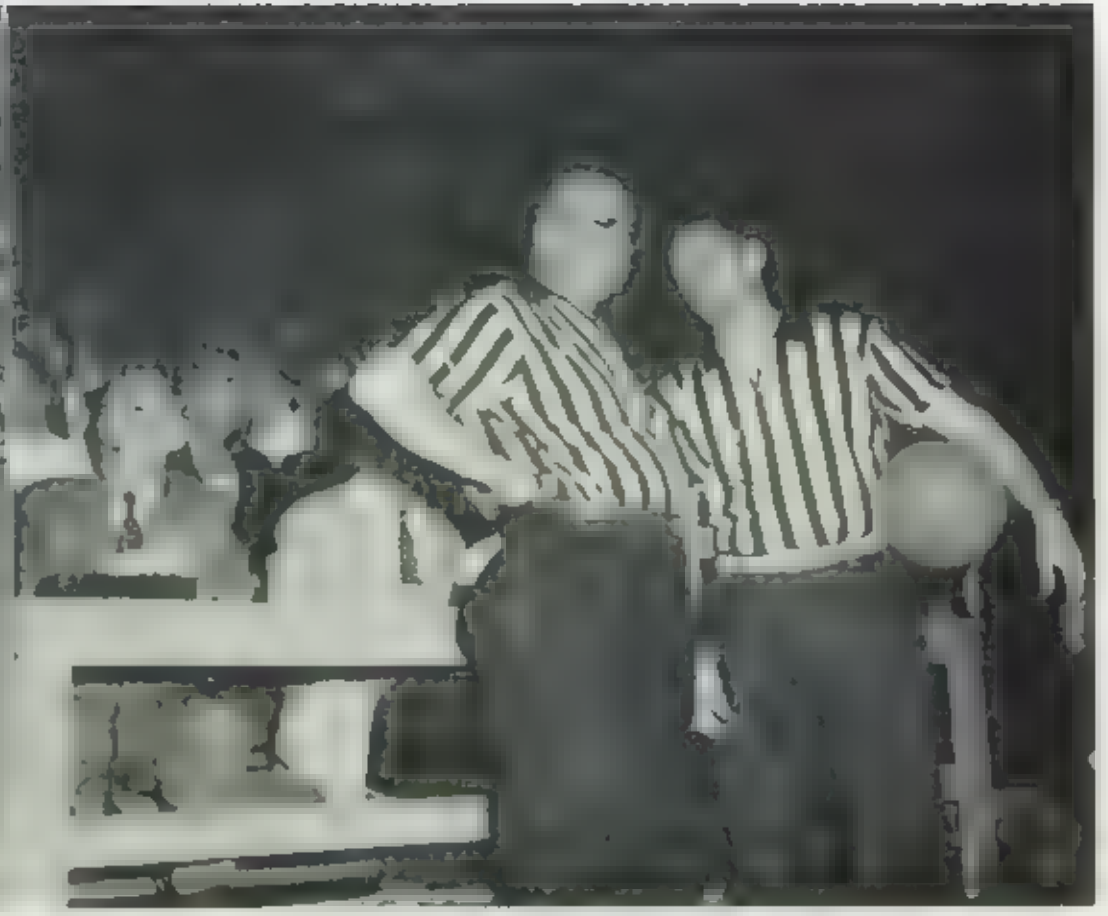

Two points for Harding as J. Crites lays in a bucket while T. Weaver looks on

T. Weaver puts in a driving lay-up as F. Price starts in for the rebound

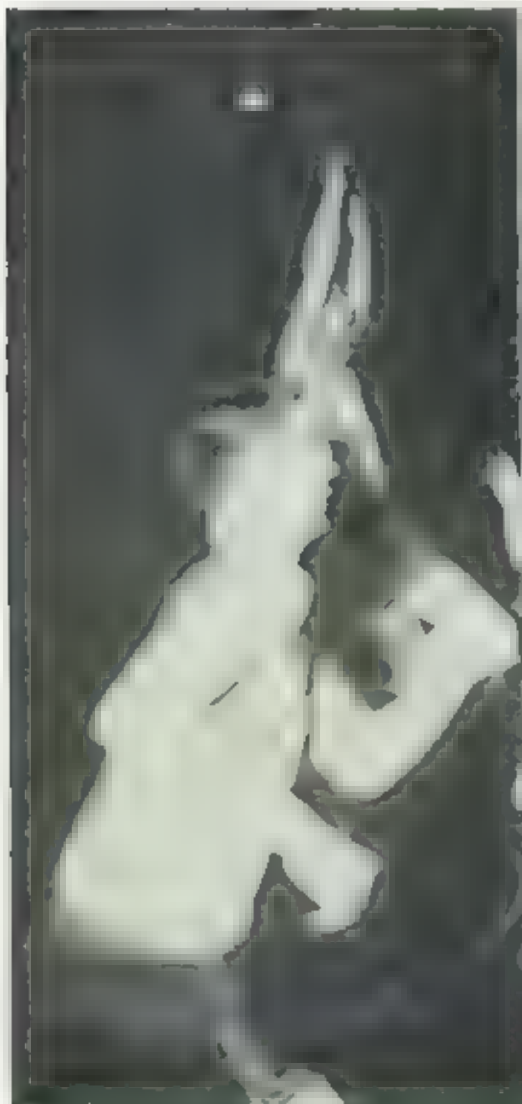

Another sure point for Harding as
J Theoharis loops in a foul shot

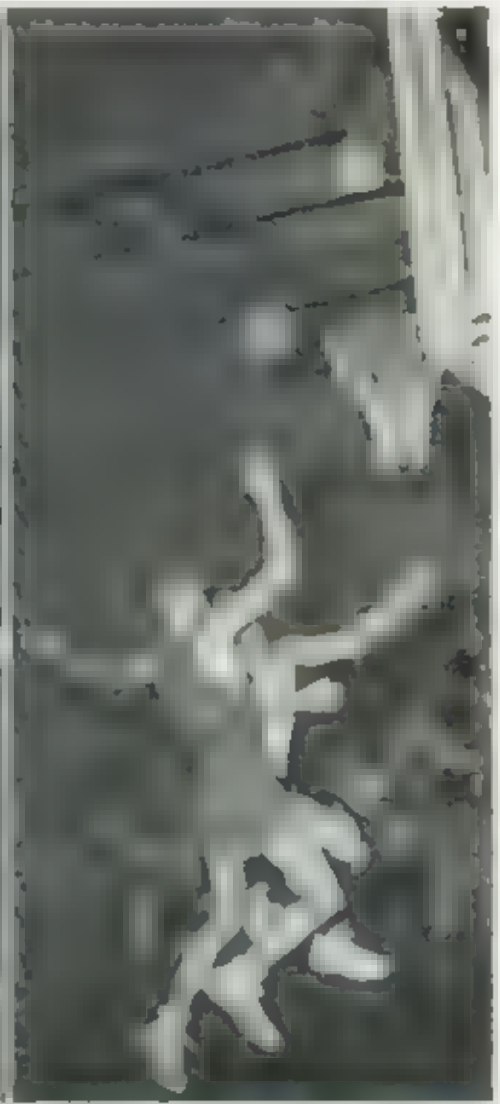

Referees check the scores in the last home game in Harding's old gym

T Weaver pops one in as J Gibson
watches for the rebound

J Theoharis pumps from the floor
for two more as the Panthers roll

Stretching high, F Price snares
a rebound from opposing players
to spark the Panther offense

Breaking virtually every team record in sight the two squads pumped in 209 points with Warren coming out on the long end of a 106-103 score. Scoring at the rate of six point a minute the two quintets broke the following records

The team total for the Salem field house, team total for Harding, two-team total for the Salem field house, and two-team total for Harding. Three Panthers scored over 20 points and the other two got 18 and 19 apiece while one other player dumped in 12.

Leavittsburg and their highly touted center, Jerry Popeliec, were guests in the Harding gym next and were kept from a rout only by the individual efforts of Popeliec. The end of the game found the Yellow Jackets on the losing side of an 85-75 score.

Upset minded Canton Central Catholic were next on the agenda for the fast improving Warrenites and until the last quarter it looked as tho they were going to succeed in dumping their visitors, but after allowing Central to close the score to a one-point margin the Panthers widened the gap to 82-68 the biggest margin of defeat against Catholic to that time

Winless Howland became the next victim as they were completely snowed under, 83-39 Guard Fred Price put on an astounding exhibition in seven shots in a row for Harding's first 14 points, six being two-handed set shots. Late in the third quarter Coach Lewis Kemp removed the first string and sent them to the showers, letting the second string finish the game.

Sporting their eight and five record, the Kempmen entertained the Boardman Spartans, highly ranked area team, and were downed 81-74. Fourteenth ranked Alliance Aviators came to Warren next and were promptly upset by the unpredictable Panthers by a score of 73-67. Niles Red Dragons, with their record breaking center, Al Penska, received a surprise when after the game the scoreboard showed the Panthers ahead 77-56 in a game that, although hard fought, was never close.

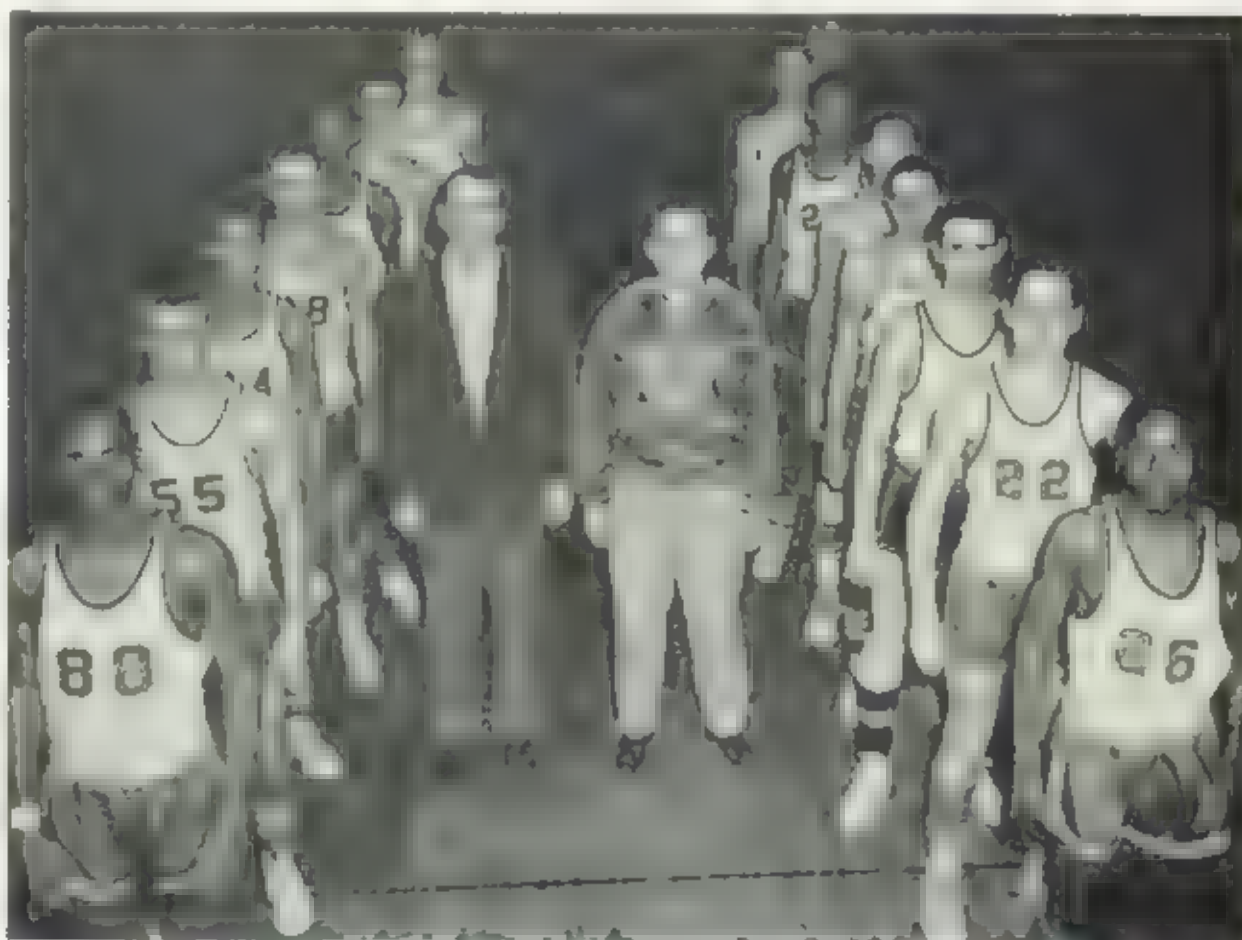

In the final season game of the year the Hardingites vied for an upset over third ranking Canton Timken, but never quite closed the gap as Timken won 90-78. It looked thruout the whole second half as if the Panthers might catch the Timken team, but midway thru the fourth quarter Timken started playing control ball and managed to stall out the game

In the tournaments the Kempmen started out slowly defeating Youngstown North, 65-61. The North quintet, which had a 2 win, 14 loss record up to that time, came exceedingly close to dropping the Panthers as they led nearly the whole way. Coming thru with a last minute scoring punch the Panthers just managed to squeeze out the victory.

In the second game of the tourney the Kempmen showed the team work and shooting that they had displayed thruout the year by breaking the Youngstown South High Field House scoring record. Garnering 34 points in the third quarter the Panthers made the game look as if both teams were using the same basket. Dropping in 98 points to Austin-

town Fitch's 68 the Warrenites topped any mark ever reached in that gym

Youngstown Raven, a control ball team, was next, and as it later proved, last for the high scoring Warren team. Raven, who played by letting the opposition make all the mistakes, ran over the Panthers in a game that ended basketball at Harding for another year. The final score read 55-39, one of the Panthers' lowest scores of the year.

Altho the team record does not stand out, the team statistics tell the real story.

Of the last 12 games that the team played only once did they fail to score under 70 points, four of the games broke the 80 mark, and one topped 100.

All five regulars scored 200 points or better, another broke 100.

Once again the Warren G. Harding Panthers had a season to be proud of.

Tennis

D. Loychik, R. Crow, R. Czepak, B. Beleny T. Marcarello, D. Simpson, R. Miller
NOT IN PICTURE—L. Stuart, B. Leyer

The recently installed courts at Packard Park were a great asset to Coach Michael Marcarello's netmen as they again turned in a fine season. The courts enabled Harding to play more home games than in the past. They were also an improvement over the old clay courts as poor spring weather did not make the hard surfaced courts sloppy.

The 1955 tennis team broke even with a season record of three wins against three losses. A well-rounded team with experienced guidance of Coach Marcarello, sparked by a desire to win, were the contributing factors in the good season the team had.

Harding opened their schedule on April 13, 1955, with a trip to Youngstown, where the team suffered its first setback at the hands of an experienced Raven High team. Boardman traveled to Warren for Harding's first home game. The Panthers' quick reacting

overpowered Boardman as Warren won the match. Due to bad weather, the game with Youngstown Chaney was canceled. The next home game resulted in a defeat by Massillon.

A return match with Raven on the Warren courts did not mar Raven's winning streak, as Harding was shut out, 7-0. Warren won on a forfeit over Boardman on May 10. The following day, in a match against Youngstown Chaney, they finished their season, 5 sets to 2.

Harding has reason to be proud of its tennis team and the coach, Mr. Marcarello. The noticeable rise in the participation, both in school and out, of tennis in Warren is an indication of the fine work put forth by the players and coach.

In the future the Harding tennis team looks for larger and more experienced teams with a great increase in interest of tennis.

POST SEASON

| | | |
|---|-----------------|---|
| 4 | Niles | 1 |
|---|-----------------|---|

The 1955 debut of baseball Coach Bill Kraker was a very successful and outstanding one as the Panther diamondmen chalked up nine wins against three setbacks. Poor spring weather made for postponement of games and hampered warming up, but the Panthers overcame this obstacle and went on to muster a better than 750 percentage of wins. The fine coaching skill of Coach Kraker and the strong desire to win among the players were the outstanding factors in the high ranking season of the 1955 Panther baseball team.

The Mahoning Valley tourney was the acme of the season as the Warrenites were high in ratings with two decisive wins. Howland was soundly defeated by Warren in the opening game, 17 to 6. Another victory for Warren was a thrilling 3 to 2 win over Youngstown South. Warren's seasonal rival, Niles, beat the Panthers in a close game, 2-1, but in a night game Warren had its revenge over the McKinlevites, four runs to one in a post season contest.

C. Stevenson breaks the tape in 100-yard dash

Track

Under the expert guidance of Coach George Johnson the fleet footed cindermen of Warren High had a record-breaking season in 1955.

The first meet was with Ravenna Township Coach Johnson's trackmen walked away with the meet, 77 to 41.

The first triangular meet of the season was with East Liverpool and Alliance at Harding. Charles Stevenson set a new record of 21.4 seconds in the 180-yard low hurdles. Also a new record, 151' 6", in the discus throw was turned in by Eugene Stefani. Harding won, 72 2/5 to 43 2/5 by East Liverpool and 35 1/5 by Alliance.

In the second triangular meet Harding's 69 points stopped Youngstown North and Howland who had 46 and 33 points respectively. During the meet Don Zerial set a new record in the high hurdles of 15.3 seconds.

J. Hlaudy is up and over in the pole vault.

Minus the services of "Chuck" Stevenson, Warren's key dash man, Harding lost its first dual meet in five years to Alliance Aviators, 58 to 60 points.

Warren placed fourth in the Northeast Ohio District at Salem. Eugene Stefani broke both the old N.E.O. and his own discus throw record set earlier in the season with a 152' 5" toss. Hlaudy of Warren tied for a first in the pole vault as Harding gave a very commendable account of itself.

Eugene Stefani won the state championship in the discus at the state meet in Columbus by a throw of 155' 5 8", again setting a new Harding record.
